Compliments of the Season!

“The light shines in the darkness, and the darkness did not overcome it” (Jn. 1:5). There is always the struggle between light and darkness. This struggle is an everlasting one, but Light (Christ) always triumphs because it puts chaos to flight, reveals light, and guides light. Christ conquering darkness to reveal Himself to us is a perfect gift. He puts an end to doubt and instability; hence he gives Peace to us to strengthen us in our daily activities. As we celebrate this Easter, we pray that Christ shines in us to dispel all forms darkness so that He will lead us to the promise land. **Happy Easter to you all!**
